#### 2018 Ehime University Application Guidelines for Research Students in a Graduate School from Abroad

Last updated: November 1, 2017

This program is for students seeking to conduct research on specific topics under the guidance of an academic advisor. No credit is offered for this program.

#### 1. Application qualifications

### (1) Application qualifications

Master's Course: Applicants are required to have a master's degree or recognized

as having achieved an equivalent or higher academic standard.

Doctoral Course: Applicants are required to have a doctoral degree or recognized

as having achieved an equivalent or higher academic standard.

Note: Applicants deemed to have the equivalent or higher academic ability are those who

have applied for and been granted a recognition of qualification.

Those wishing to apply for a recognition of qualification should submit the required documents to the relevant graduate school listed in 2. (2) below one month before the

application period.

#### (2) Period of research

The period of research is up to one year. However, the period may be renewed if it is deemed necessary for the research.

#### 2. Application form acceptance period and place for submission

#### (1) Application form acceptance period
