Shitsukawa, Toon, Ehime 791-0295 Japan

Where to make contact:

Yuuki Imai

Professor, Division of Laboratory Animal Research, Advanced Research Support Center,

Ehime University

Shitsukawa, Toon-city, Ehime 791-0295, Japan

Email: y-imai@m.ehime-u.ac.jp

Selection process:

(1) Screening of the application documents

(2) Personal interview and open seminar presentation

After passing the screening of the documents, you will be requested to visit Ehime University for interview and seminar presentation.

Nationality of the applicants will not be considered.

Additional Information:

(1) Ehime University hiring is in compliance with the principles of the Basic Act for Gender Equal Society, and promotes various programs to develop diversity in the research environment.

•Career Support Program for Young Researchers:

Hiring research assistants for female or male researchers who are expecting to have babies or who are raising small children so that they can maintain and develop their research and careers.

•Research Assistance Program for Female Researchers:

Hiring research assistants for female researchers whose research activities are limited by childbirth, child-rearing, sickness or injury, care for family members, or administrative responsibilities at the university. The assistance will be provided either to the individual researchers or to the laboratory (or research group) they belong to, depending on the case.

•Dual Career Support Program:

A partial (cross) appointment system for the partners of Ehime University academic staff. Researchers who live/work separately from their partners (who are Ehime University employees) are employed on a cross-appointment basis and engage in research at Ehime University for a limited time period.

•Child Care Centers:

“Emika Kids” on Johoku Campus, and “Aiai Kids” in the University Hospital on Shigenobu Campus.

“Aiai Kids” also provides care for sick children.

• Care for School Children:

Provided during the spring, summer, and winter vacations. Also, after school programs are provided all year-round at “Aiai Kids.”
